Date of birth: 26 – 03 – 1999

Objective: Unpaid software development internship.

I have in total 7 years of work experince from various jobs within customer service, telemarketing, sales, warehouse and the restaurant industry. I have among other things, worked as a technical customer advisor for YouSee's private customer group at TDC and worked as a customer service representative at CGI, where i had to handle the customer service part for NETS.

I am currently employed as a student assistant at Schibsted in the sales department where i work with robotic process optimization and furthermore as a student assistant at Danish Technological Institute where i am working on a project to simplify and optimize work processes.

I am currently looking for a full-time software development internship for 10 weeks with start in January 2023, where i can use, further develop and contribute with my skills that i have obtained from my studies as well as what i have acquired in my spare time by building personal projects.

Education

Business Academy Aarhus	Computer Science (AP)	February 2021 – June 2023
Aarhus Gymnasium	Higher Technical Exam (HTX)	August 2014 – June 2017

Work Experince

Student Assistant	May 2022 – Present
Danish Technological Institute	Aarhus, Denmark

- Responsible for designing and developing a price calculation webapplication in collaboration with the IT department, which has to be integrated with the companys task management system using TypeScript.

- Responsible for introducing a Computer Science (AP) intern to the project.

Student Assistant   June 2021 – Present
Schibsted   Aarhus, Denmark

- My key responsibillity at Schibsted is to place Boost-Connect subscribed customers' listing live on the platform DBA. We recieve customers product feed in JSON, XML, CSV or any other text format and by using a RPA tool i create and maintain robots which inserts and updates listings automatically on DBA.

- Reporting of data for the service Bilbasen Ads, where i maintain about 165 car dealerships advertisment data and performing different manuel tasks in among others Google Ads and CRM.

Student Assistant   January 2021 – Marts 2022
Danish Patient Safety Authority   Aarhus, Denmark

- I have worked as a student assistant in relation to Corona tracing for the Danish Patient Safety Authority, which included calling citizens in Denmark regarding isolation calls, infection tracing. Furthermore i was assigned as a test ambassador where i participated and encouraged citizens in various cities to be tested.

Service Consultant   May 2020 – July 2020
Danske Bank   Aarhus, Denmark

- I have worked as a service consultant for Danske Bank through 5R Marketing regarding combating money laundering and identification as well as approval of customers identification for KYC.

Customer Service Employee   July 2019 – December 2019
CGI   Aarhus, Denmark

- I had to handle and solve various tasks for Nets. The assignments were among other hings, to handle inbound calls and chats from private – and business customers who experinced issues with their NemID. This was solved with a combination of problem solving, advice and error reporting.

Production Worker   May 2018 – November 2018
PostNord   Aarhus, Denmark

- I worked in PostNords parcel terminal in Risskov where i had to scan and sort packages and furthermore handle speciel packages in the speciel handling department.

Customer advisor   July 2017 – May 2018
TDC Group   Aarhus, Denmark

- I have work experince from TDC group where i worked as a customer advisor for YouSee's private customer group. Here i had a empathic and solution-oriented approach in connection with customers who dealt with telephone, TV and internet issues, where i needed to solve and advise with the skills i possessed and otherwise report the problem to either a driver – or desk technician. In addition, i had to be responsible for additional sales of YouSee's product protfolios and have continous development in customer service, sales and IT knowledge by participating in professional courses.

Kitchen employee   September 2015 – May 2016
Aarhus Kommune   Aarhus, Denmark

- I worked in a kindergarten in Aarhus Commune, where i primarily helped out in the kitchen with cleaning and other similar tasks.

Sales And Service Employee
Netto, Salling Group

<div align="right">Marts 2015 – July 2015
Aarhus, Denmark</div>

- I worked in Netto as a part time youth worker, where i was servicing customers, replenishing goods, cleaning and other tasks.

Kitchen Employee
Chez Tony

<div align="right">January 2015 – Marts 2015
Aarhus, Denmark</div>

- I was employed as a kitchen employye in a resturant in Trøjborg, which servered Greek food. I primarily helped out in the kitchen with cleaning and furthermore with purchase of items.
